GRADE

The screen and glass were graded Grade A, and the body is in the same or better condition, so this phone is Grade A. The category describes how it looks, nothing else: every phone we sell passes the buying and function checks below, whatever its category. Grade A means no visible marks on the screen, glass or housing.

BATTERY HEALTH: 100%, PEAK BAND

70 80 90 100

Bands: Steady 70-79 · Strong 80-89 · Peak 90-100. The scale starts at 70% because we don't sell below it: under 70% the battery is replaced first. This is the original battery.
